### **NOTES:**

- Jan-Mar events are often impacted by inclement weather. This could result in the Feb/Mar events being combined into one longer event. Changes will be announced as far in advance as possible at the club and on the web site.
- We will be missing one week of chess in late April/early May, and late Oct/early Nov due to the Church Fairs. Those dates are tentatively built into this schedule. If those dates changes, the schedule for those months will be adjusted as needed.
